

# Schnauzer Rescue Cincinnati

Issue 13 - Aug. 2021

## Barkaritaville 2021 is Online 9/20-9/26

The Schnauzer Rescue Cincinnati is going virtual for our main 2021 fundraiser and we need your help!

We are unable to host Barkaritaville for the second year in a row, which is our main way to raise funds. We rely on your generosity in order to rescue dogs and give them the loving homes and medical care they need. We can not keep saving dogs without your financial support.

The SRC Basket Fundraiser will take place on our [Facebook page](#) from September 20 - September 26. Mark your calendars and get ready to bid. If you aren't already connected with us on Facebook, [click here](#).

We are also looking for donated items to auction. Some popular items include anything schnauzer related, dog outfits, schnauzer clothing for people (think socks, t-shirts, etc.), ornaments, dog treats, dog toys, coffee mugs, wine glasses, gift cards, etc. Think about what a dog lover

like yourself would want to win in a fundraiser and that's a good place to start!

If you have something you would like to donate, please email us at [srcadoption@gmail.com](mailto:srcadoption@gmail.com) with what you would like to donate and we can go from there on logistics.

If you rather generously donate money directly that would be wonderful! Donations can be made via PayPal – [donate2src@gmail.com](mailto:donate2src@gmail.com) or mailed to:

**Schnauzer Rescue Cincinnati**  
**PO Box 1602**  
**Miamisburg, Ohio 45343**

Thank you for supporting these dogs by bidding in the Facebook basket fundraiser, telling your friends and family about it, donating an item, or even sending a monetary donation.

We appreciate your support and thank you for being a part of helping so many animals.

## Special Needs

Special doesn't sum up these unconditional love machines.

Two-Year Old Rocket entered the rescue recently with bladder stones and a ruptured bladder. He was rushed to the Dayton Care Center lifeless.

He was immediately taken in stabilized and went directly to surgery.

Everything aligned for this boy on that day. He is now recovering from a successful multi-stone removal and bladder repair. He will require follow up appts as well as prescription food and medication. You can help!

Please consider contributing to our medical fund. We have many seniors, diabetic, vision impaired, & mobile-hindered pups. We don't turn a schnauzer in need away. We care and love them in a foster homes for their natural lives. We know you may want to help. [CLICK HERE to learn more.](#)

## Plan and Protect

As dog parents, it's our job to ensure the health and safety of our furry friends. We do this in many ways; here are some ideas.

### Care Kits

Include your pet in your emergency kit. Account for him or her when stocking water, extra food, and medications.

### Identification

Keep tags, microchips, and other identification up to date.

### Evacuation Plans

Have your evacuation plan include pet-friendly accommodations.

### Medical Records

Have documentations and medical records, and key contacts in a safe place and handy.

### Travel

Have leashes, carriers/crates, toys, supplies, collars, and other travel items cleaned and read to go.

***You may not remember everything, but through planning, you won't forget your pooch and the necessary supplies when needed.***
