

Schnauzer Rescue Cincinnati/Florida

SRC Foster Contract

A contract between the owners of the dog, Schnauzer Rescue Cincinnati, known herein as "Schnauzer Rescue Cincinnati" or "SRC" and the caretakers of the dog, known herein as "foster home" or "foster family".

The foster family fully understands that they are to act as a foster home for one or more of SRC's dogs while in the fosterer's care and in their home. The animal will remain the property of SRC. The animal will be surrendered to an officer of SRC immediately on request. If the Foster Family wants to adopt a dog in their care they must submit an application for approval, like any other potential adopter. A Foster Family will not be allowed to adopt their foster if an approved applicant is already in place.

The animal will be fed, watered and exercised appropriately. No prong or shock collars are to be used at anytime. The foster home will not be compensated for expenses incurred in the normal daily care of the animal.

Expenditures incurred by the foster family other than emergency care and treatment require prior approval by the President or the Vice-President of SRC. The foster family will be held responsible for unapproved expenditures.

Veterinary care will be provided by SRC. This includes vaccinations, heartworm testing and preventative monthly flea/tick preventative, altering and any prescription medications necessary for the dog.

The animal is to be adopted to its permanent home only under the supervision of an officer of SRC and only to said pre-approved families. Adoptive families are to be contacted by the foster family as a courtesy to inquire about the animal at 30, 60 and 90 day intervals, however, adoptive families are to be accorded the utmost respect and privacy.

All donations and adoption fees connected with the adoption of the animal will be sent directly to the designated SRC Treasurer.

Questions or problems are to be directed to officers of SRC. If there is a need to remove the animal from the foster home, the animal is to be given directly to a designated SRC officer.

The foster family accepts responsibility for any and all events that occur in connection with the fostering of a rescue animal. The foster family agrees to release and indemnify any and all officers and members of SRC from any and all claims, known and unknown, now or hereafter, arising in connection with the animal.

SRC requires that the foster family have a crate available should its use be necessary. SRC prefers foster homes to crate foster dogs when they are not home. The foster family will evaluate the animal and prepare an evaluation form. This form will be kept with the adoption package as information for the new owners.

A list of SRC's officers and other rescue contacts will be left with the foster family for reference.
